DIGITAL AND PHYSICAL WORLDS MEET IN THE CLASSROOM

Acer Chromebook Tab 10

- First tablet running Chrome OS designed for education, promoting engagement and collaboration.
- Chrome Education License support allows central and remote management of a large number of devices.
- Included Wacom® EMR stylus pen for natural writing and drawing.
- Stylus is battery-free, slips into a handy dock on the tablet and replicates the usage, accuracy and size of an ordinary pen.
- Planned support for Google Expeditions AR (augmented reality) to enable immersive learning experiences.
- Full Google Play support, giving teachers and students access to educational Android apps curated by administrators.
- All-day productivity with up 9 hours of power from the lithium-polymer battery.

¹ When referring to storage capacity, GB stands for one billion bytes. Some utilities may indicate varying storage capacities. Total user-accessible capacity may vary depending on operating environments.
² For a free copy of the standard limited warranty end-users should see a reseller where Acer® products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503.

In a continuing effort to improve the quality of our products, information in this document is subject to change without notice. Images shown are only representations of some of the configurations available for this model. Availability may vary depending on region. As a phenomenon known to thin-film transistors (TFTs), liquid crystal displays (LCDs) commonly exhibit a small number of discoloration dots, as so-called "non-conforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect, and as such is not covered by Acer's warranty.
