

Build the Right Network

Elevate Your Business with Solutions and Savings

Save Up to \$670 on Select Cisco Routers and Switches

Building a network is a lot like building a house. A solid foundation enables you to confidently build the network of your dreams without worry of eventual collapse.

When you build the **right network** with Cisco **right now**, you can stack up considerable savings.

Follow these steps to claim your cash:

1. Purchase select Cisco® routing and switching products based on your business needs (see table).
2. Visit www.ciscorebateprogram.com
3. Select your product or products in the Quick Rebate Finder
4. Complete the online rebate form
5. Read and agree to the program terms and conditions, and submit your online rebate form and proof of purchase.

Offer valid from January 30, 2012–April 28, 2012.

Build the Right Network
