Announcing VMware vCenter Special Promotion:
Up to 50% off selected products—for a limited time only.

VMware's vCenter Management products can help take your virtualization to the next level. vCenter CapacityIQ, AppSpeed and Chargeback allow you to utilize your datacenter efficiently and cost-effectively, manage the performance of virtualized multi-tier applications, and fight the dreaded VM sprawl. Unlocking the door to advanced virtualization management has just gotten easier.

For a limited time, VMware customers can receive up to 50% off on select VMware vCenter products. This includes:

vCenter CapacityIQ
at 20% off,

vCenter AppSpeed
at 20% off,

vCenter Chargeback
at 50% off.

Act fast as this promotion expires June 15, 2010. To learn more—talk to your VMware sales representative.
